Professional Enterprise Credit Report
(Full Level)

Shenzhen Funender Air and Water Technology Development Co. , Ltd.

Sample Report
(Full Level)

Chapter One: Basic Company Information Report

1. Corporate Profile

1.1 Corporate Label

Product label: Safety, University, high-tech, aerospace, environmental protection, health, hotel, drinking water

Industry labels: Wholesale and retail, retail, general retail, other general retail

Region label: Futian District, Shenzhen City, Guangdong Province, China

1.2 Contact Information

TEL: 13828880784

Email: 40942605@qq.com

Website: www.fndtech.org

Address: 25th floor, Huaneng Building, the intersection of Shennan Middle Road and Huafa North Road, Huaqiang North Street, Futian District, Shenzhen City

2. Basic Information

2.1 Business Information

Business name	Shenzhen Funender Air and Water Technology Development Co., Ltd.		
Used name	Shenzhen Xiancaotang Biotechnology Co., Ltd., Shenzhen Octopus Trading Co., Ltd.	Scale	S (small)
Unifying Social Credit Code	91440300055148942G	Taxpayer Identification Number	91440300055148942G
Registration number	440301106588992	Import and Export Enterprise Code	4403055148942
Legal representative	Yu Lin Jing	Organization code	05514894-2
Registered Capital	\$50 million	Paid-in capital	\$50 million (2022 annual report)
Types of enterprises	Limited liability company	Registration status	Existence (in business, business, register)
Date of establishment	September 27,2012	Approval date	March 26,2020
Business duration	2012-09-27 to 2045-07-30	Registration Office	Fukuda bureau
Staff size	Less than 50 persons	Number of people insured	11(2023 annual report)
National standard industry	Wholesale and retail	English name	Shenzhen FND Air & Water Technology Development Co., Ltd.
Registered address	25th floor, Huaneng Building, the junction of Shennanzhong Road and Huafa North Road, Huaqiang North Street, Futian District, Shenzhen City		

Business scope	General business projects: air and water treatment technology development, consulting; Air and water treatment equipment and accessories, filters, hardware power, molds, mechanical equipment, electronic products wholesale, retail and leasing; Investment in industry; domestic trade; import and export business. (none of the above-mentioned projects contain those prohibited by laws, administrative regulations or decisions of the State Council, and the restricted projects must be licensed before they can be operated) Production (branch operation) ; sales of medical devices of the second kind.
----------------	--

2.2 Shareholder Information (4)

A total of 4 shareholders, the largest shareholder is the former Seafood Research Fund Management Co., Ltd., the type of shareholders for legal shareholders, the investment ratio of 44.80% .

Serial number	Name of shareholder	Ownership	Subscription amount (\$10,000)	Date of subscription	Date of first holding
1	Qianhai Industry Research Fund Management Co., Ltd.	44.80%	2240	September 27,2012	-
2	Shenzhen Zhongqi Technology Co., Ltd.	35.20%	1760	July 18,2017	June 15,2017
3	Shenzhen Great Wall Ring Asia Management Co., Ltd.	10.00%	500	December 29,2015	December 29,2015
4	Great Wall Circle Asia (Shenzhen-RIInternationaloInvestmentmCo.coLtd.ltd.	10.00%	500	July 18,2017	December 28,2016

2.3 Principal Officers (7)

Serial number	Name	Duties	Ownership
1	Yu Lin Jing	President, General Manager	-
2	Li Weiji	Directors	-
3	Bing shouying	Directors	-
4	Meng Xuefeng	Directors	-
5	Edward Kwok	Directors	-
6	Sheng Xingkun	Directors	-
7	Wang Wenya	Supervisor	-

2.4 Outward Investment (5)

Serial number	The name of the company being invested	Status	Ownership	The amount of capital contribution subscribed	Date of subscription	Province	Industry
---------------	--	--------	-----------	---	----------------------	----------	----------

1	Jinan Funengda Water Technology Development Co. , Ltd.	Active	85%	\$21.7 million	June 30,2017	Shandong province	Manufacturing
2	Tianchi Manu (Shenzhen) Trading Co. , Ltd.	Survival	100%	\$10 million	-	Guangdong province	Wholesale and retail
3	Guangdong Shunde Sweet Potato Environmental Technology Co. , Ltd.	Survival	85%	\$4.25 million	-	Guangdong province	Scientific Research and technical services

8.2 Patent Information (50)

Serial number	Name of invention	Patent type	Legal status	Application number	Date of application	Public (notice) No	Date of publication (announcement)
1	The air water-making machine which changes the direction of the axial flow fan	The utility model is a utility model	The patent expires without an annual fee	CN201921434445.5	August 31,2019	CN211547885U	September 22,2020
2	Air Water Dispenser	Design	Licensing	CN201930478619.7	August 31,2019	CN305845646S	2020-06-12
3	Ship power tail gas water system	Invention announced	Substantive examination	CN201910727513.5	August 7,2019	CN110284554A	September 27,2019
4	Motor vehicle exhaust water system	Invention announced	Substantive examination	CN201910726993.3	August 7,2019	CN110331760A	October 15,2019
5	Ship power exhaust system	The utility model is a utility model	Licensing	CN2019212	August 7,2019	CN2104212	April 28,2020

				72974.X		54U	
--	--	--	--	---------	--	-----	--

6	Motor vehicle exhaust water system	The utility model is a utility model	Licensing	CN201921272973.5	August 7,2019	CN210421253U	April 28,2020
7	Self-service beverage equipment for automatic lid removal and capping	The utility model is a utility model	The patent expires without an annual fee	CN201821141685.1	July 18,2018	CN208829242U	May 7,2019
8	Self-service combination cabinet	The utility model is a utility model	Licensing	CN201820989923.8	June 26,2018	CN208421964U	January 22,2019
9	Self-service coffee machine	The utility model is a utility model	Licensing	CN201820990346.4	June 26,2018	CN208822410U	May 7,2019
10	Internet of things water vending machine	The utility model is a utility model	Licensing	CN201820990455.6	June 26,2018	CN208421965U	January 22,2019
11	A juice vending machine	The utility model is a utility model	The patent expires without an annual fee	CN201820993658.0	June 26,2018	CN208421987U	January 22,2019
12	Coffee Brewer	The utility model is a utility model	Licensing	CN201820713006.7	May 14,2018	CN208822403U	May 7,2019
13	Air Water Dispenser	Design	Licensing	CN201830219298.4	May 14,2018	CN304851267S	October 12,2018
14	Intelligent air water machine	The utility model is a utility model	Licensing	CN201820713383.0	May 14,2018	CN208415365U	January 22,2019
15	Improved air water machine	The utility model is a utility model	Licensing	CN201820148737.1	January 29,2018	CN207865768U	September 14,2018
16	Air-made water-type tea-bar machine	The utility model is a utility model	Licensing	CN201820148732.9	January 29,2018	CN208822414U	May 7,2019
17	Refrigeration system with anti-corrosion and anti-bacterial function of aluminum foil and air water machine	The utility model is a utility model	Licensing	CN201820148746.0	January 29,2018	CN207863044U	September 14,2018
18	The cooling water system of an air water machine	The utility model is a utility model	Licensing	CN201820148742.2	January 29,2018	CN208105374U	November 16,2018

19	The invention relates to a filter core structure for an air water making machine	Authorization of invention	Licensing	CN201610873608.4	September 30,2016	CN106277209B	July 9,2019
20	The utility model relates to a reverse osmosis filtration system for an air water maker	Authorization of invention	Licensing	Cn201610873607.x	September 30,2016	CN106277208B	September 13,2019

21	The utility model relates to a tea bar machine with on-line water-making function	Authorization of invention	Licensing	CN201610873502.4	September 30,2016	CN106419550B	October 30,2018
22	The utility model relates to a filter element for an air water making machine	Authorization of invention	Licensing	CN201610873841.2	September 30,2016	CN106368266B	August 17,2018
23	The utility model relates to an air water making machine which is convenient for cleaning and replacing a water collecting trough	Authorization of invention	Licensing	CN201610835199.9	September 20,2016	CN106638777B	February 15,2019
24	The utility model relates to an air water-making machine with adjustable outlet water temperature based on the Internet of things	The utility model is a utility model	Licensing	CN201620013771.9	January 6,2016	CN205276373U	June 1,2016
25	An empty space based on the Internet of things using a detection feedback technique Gas water dispenser	The utility model is a utility model	Licensing	CN201620009283.0	January 6,2016	CN205276371U	June 1,2016
26	A new air-to-water machine based on the Internet of things	The utility model is a utility model	Licensing	Cn201620013868.x	January 6,2016	CN205328756U	2016-06-22
27	An intelligent air-to-water machine based on the Internet of things	The utility model is a utility model	Licensing	CN201620013867.5	January 6,2016	CN205276374U	June 1,2016
28	A device based on the Internet of things Empty with high efficiency filtering function	The utility model is a utility model	Licensing	CN201620009457.3	January 6,2016	CN205276372U	June 1,2016

	Gas water dispenser						
29	An Internet of things camera	The utility model is a utility model	The patent expires without an annual fee	CN201521021707.7	December 10,2015	CN205195823U	April 27,2016
30	A polymer lithium battery	The utility model is a utility model	The patent expires without an annual fee	CN201520980683.1	December 02,2015	CN205194795U	April 27,2016
31	An energy-efficient circulating water pump for use in heating systems	The utility model is a utility model	Licensing	CN201520961414.0	November 29,2015	CN205190246U	April 27,2016
32	A sewage treatment plant	The utility model is a utility model	Licensing	Cn201520961423.x	November 29,2015	CN205188059U	April 27,2016
33	An energy-saving variable flow heating system	The utility model is a utility model	Licensing	CN201520961340.0	November 28,2015	CN205191695U	April 27,2016
34	An industrial wastewater treatment plant with heavy metal ion recovery capability	The utility model is a utility model	Licensing	CN201520961334.5	November 28,2015	CN205188042U	April 27,2016
35	Something based on the Internet of things	The utility model is a utility model	Licensing	CN2015209	November 27,2015	CN2051938	April 27,2016

	Data distribution monitoring system			69752.9		66U	
36	A fingerprint recognition system for the Internet of things	The utility model is a utility model	Licensing	CN201520958564.6	November 27,2015	CN205193896U	April 27,2016
37	An intelligent medical control system based on the Internet of things	The utility model is a utility model	The patent expires without an annual fee	CN201520958845.1	November 27,2015	CN205181343U	April 27,2016
38	An Internet of things-based smart home control system	The utility model is a utility model	Licensing	Cn201520966911.x	November 27,2015	CN205193462U	April 27,2016

39	New logistics carts	The utility model is a utility model	Licensing	CN201520953613.7	November 26,2015	CN205186220U	April 27,2016
40	Electrostatic precipitator	The utility model is a utility model	Licensing	CN201520927600.2	November 20,2015	CN205182947U	April 27,2016
41	A central air purifier	The utility model is a utility model	Licensing	CN201520877452.8	November 5,2015	CN205191734U	April 27,2016
42	A safe sterilizing air purifier	The utility model is a utility model	Licensing	CN201520877465.5	November 5,2015	CN205191761U	April 27,2016
43	A home environment control system based on the Internet of things	The utility model is a utility model	Licensing	CN201520887827.9	November 5,2015	CN205193639U	April 27,2016
44	A secondary energy-saving water treatment device	The utility model is a utility model	Licensing	CN201520877463.6	November 5,2015	CN205188015U	April 27,2016
45	A good thermal insulation phase change energy storage plate	The utility model is a utility model	Licensing	CN201520800680.5	October 13,2015	CN205171713U	April 20,2016
46	Water dispensers that clean the air and use it to produce purified water	The utility model is a utility model	The patent expires without an annual fee	CN201420738250.0	November 29,2014	CN204329222U	May 13,2015
47	A water dispenser that purifies air and uses it to produce purified water and how it works	Invention announced	Publication denied	CN201410713523.0	November 29,2014	CN105698306A	2016-06-22
48	Air Water Dispenser	Design	The patent expires	CN201430477087.2	November 27,2014	CN303369652S	2015-09-09
49	A filter system of an air water machine and a filter reminder method thereof	Authorization of invention	Licensing	CN201310222745.8	June 6,2013	CN104234131B	February 8,2017

50	A water machine and its intelligent control method	Invention announced	Publication denied	CN201310222578.7	June 6,2013	CN104234130A	December 24,2014

1	FND funenda	Fununda subscription number	FNDTECH-2018	Funenda is a high-tech enterprise integrating scientific research, development, manufacturing, sales, installation and after-sales. It has won the title of“Shenzhou contribution unit for manned spaceflight”, and a breakthrough in research and development of commercial air water-making machine. The equipment will be air water vapor condensation, filtration, purification, sterilization, disinfection and other links, into a healthy drinking water. No need for water, energy saving and environmental protection.

2	FND Fununda	Fununda	Fndtech	Fununda is a high-tech enterprise integrating scientific research, development, manufacturing, sales, installation and after-sales. It has won the title of "Shenzhou contribution unit for manned spaceflight", and developed the world's first commercial air water-making machine. The equipment will be air water vapor condensation, filtration, purification, sterilization, disinfection and other links, into a healthy drinking water. No need for water, energy saving and environmental protection.
3	Fununda	Air makes water	Funengdakqjs	Fununda is a high-tech group enterprise integrating R & D, manufacturing, sales and installation, focusing on global water purification, water health, water safety and water crisis, it is committed to the scientific and technological development of drinking water for all mankind. Funender in line with the "Water out of thin air" concept, to "Let the world's people with the lowest cost to drink the most healthy..."

8.7 Quality of Output (0)

Sample Report
(Full Level)

Chapter Two: Legal Analysis and Risk Attention Towards Basic Company Information Report

1. Abnormal Business Operation Records

The company is listed as being in an abnormal operational status, involving issues such as inability to contact the company or failure to submit annual reports, indicating company's operational problems.

2. Frequent Business Changes

The company has frequent records of company registration changes in different areas such as shareholders, registered capital, and business scope, which may indicate the instability in corporate governance.

3. High Number of Judicial Cases

The company is involved in many judicial cases in China (e.g., property preservation cases, financial loan contract disputes, labor disputes), potentially indicating issues with business compliance, contract performance, or financial health status.

4. Administrative Penalty Records

The company has committed administrative violations in China, negatively impacting its business credit.

5. Dishonest Legal Person Subject to Enforcement Records

The company is listed as a dishonest legal entity subject to the enforcement, indicating it has failed to fulfill obligations determined by effective legal documents.

6. Enforcement Records

The company is subject to external debts requiring enforcement due to judicial rulings, which could negatively affect its ability to perform contracts.

7. Bankruptcy and Restructuring Records

The company has records of bankruptcy and restructuring, indicating that it may have faced significant financial difficulties in the past.

8. Equity Freezing Records

The company has multiple instances of equity being frozen, which may indicate unresolved legal disputes or debt issues involving its shareholders or the company itself.

9. Low Employee Numbers

The company only has records of 11 employees enrolled in social insurance, inconsistent with its business scale, which may indicate its non-compliance with legal requirements for social insurance contributions or concealment of such information in its annual reports.

10. Legal Representative's Personal Credit Records

The company's legal representative is listed as a dishonest person subject to enforcement and is restricted from high-level consumption, indicating the poor personal credit, which could impact the company's operations and creditworthiness.
